

Governor's Commission on Service and Volunteerism Commission Standing Committee Descriptions Adopted, January 22, 2010

Adult Engagement Committee

Responsible for strategic planning and resource leveraging that focuses on engaging adults, inclusive of state employees and adults 55 and older and other related activities established by the Commission and/or Governor. Activities and initiatives the committee will oversee include: the Governor's mentoring initiative; the Caring Adults work plan; mentoring celebrations; the promotion of mentoring; and the engagement of adults 55 and older.

Community Engagement Committee

Responsible for strategic planning and resource leveraging that focuses on promoting general volunteerism, national service program support, and other related activities as established by the Commission and/or Governor. Activities and initiatives the committee will oversee include: the education of community and elected leaders; the Volunteer Service Awards; Arizona LeaderCorps; Governor's Conference on National and Community Service; and AmeriCorps Week.

Youth Engagement Committee

Responsible for strategic planning and resource leveraging that focuses on youth engagement (ages 10 to 24 years) and other related activities as established by the Commission and/or Governor. Activities and initiatives the committee will oversee include: the Youth Engagement work plan; youth volunteerism recognition; integration of service learning into school curriculum; and, academic credit for service learning.

Communications Committee

Responsible for strategic planning and resource leveraging related to the development and implementation of specific marketing/outreach strategies and materials to assist the Commission and its standing committees in building a statewide ethic of service and volunteerism and other related activities as established by the Commission and/or Governor. Activities and initiatives the committee will oversee include a statewide outreach campaign, United We Serve, and informing and educating the community about national, state and local issues relating to service and volunteerism.

Inclusion Committee

Responsible for strategic planning and resource leveraging that focuses on disability inclusion in national service, and other related activities as established by the Commission and/or Governor. Activities and initiatives the committee will oversee include the activities of the Arizona National Service Inclusion Work Team.
